Needle plate lever

Easy changeover of needle plate. Simply push the lever and the needle plate pops-up. To re-set needle plate, push down on plate to secure.

Sewing applications

Need help with popular Sewing Tasks like inserting a zipper? The MC9850 Sewing Application walks you through a variety of applications.

200 built-in stitches

Choose from 200 built-in stitches, including six buttonholes. Stabilizer plate for buttonhole foot is an optional accessory.

Easy-threading

The easy-threading bobbin case and cover plate mean there's no need to pull long thread tails up and through when you first thread the machine.
