LED Lighting

The needle area is illuminated by the LED lighting. Plus, the clear bobbin cover on the needle plate allows you to see the remaining bobbin thread.

Stitch Chart

Each model has a stitch chart on the front of the machine for easy selection. Model FD216 includes stretch fabric stitches.

Needle Threader

Thread the needle easily without eye strain using the convenient needle threader. Pull the thread across the threader and watch as it is automatically fed through the eye of the needle.

Standard Accessories
