BERNINA
EMBROIDERY SOFTWARE 9

QUICK INSTALLATION GUIDE

made to create **BERNINA**

Quick Installation Guide

Before you install the software make sure your computer meets the technical system requirements found below.

Also make sure of the following:

• Your computer has a working USB port and internet connection;

• anti-virus and firewall are temporarily disabled;

• you have administrator rights.

When updating the product, do not attach your hardware dongle until prompted. In this version, the hardware dongle is replaced by a Product Key found on a card delivered with your product.

If you need help during installation go to:
https://www.bernina.com/v9#!support

Installation Procedure

1. Insert the Software Installation USB Stick in the USB port of your computer and wait for the welcome screen. Alternatively, start the installation manually by double-clicking the setup.exe.

2. Follow the onscreen instructions to complete the installation and reboot the PC when prompted.

3. Double-click the new desktop icon to start the software.

4. To Sign in you will first need to create a new account. Select the "Create a new account" button and follow the onscreen instructions.
   Note: An internet connection is required for this step.

5. If you have purchased the DesignerPlus, a CorelDraw® configuration message will appear. Click OK.

6. If you have purchased an update version, attach the hardware dongle of your previous version when prompted. Click OK to activate the software. The hardware dongle is deactivated after this process and can be discarded following a successful update. When you update from V8, please use the identical email address that you used to register the V8 software. The system will automatically match the new product key with the former key.
   Note: An internet connection is required for this step.

Please also refer to the Quick Start Guide which can be downloaded here for more information: ***https://www.bernina.com/v9#!support***

System requirements

In order to run your software, you need to ensure that the following pre-requisite system requirements are met.

Component	Minimum	Recommended
CPU	Intel® Core i3 or AMD Ryzen 3	Latest Intel® Core i5/7 processor
Operating system	Microsoft Windows 10 64-bit, with latest Updates	Microsoft Windows 10 (64-bit Edition) with latest Update
Browser	Microsoft Edge or later	Microsoft Edge or later
Memory	8 GB	16 GB or more
Hard disk size	80 GB	256 GB or more (Solid State Drive)
Free disk space	40 GB	60 GB or More
Graphics card	Support for Highest Color (32bit) and resolution (1366 X 768)	Support for Highest Color (32bit) and resolution (1920 X 1080)
Monitor	1366 X 768 screen resolution	1920 X 1080 screen resolution
USB port	Required for software installation.	
Sound card	Required for online video help.	
Internet connection	Required for product activation, registration and sign-in.	

PC specifications
Check that your PC meets the system requirements. Check CPU/RAM as well as hard disk space. The table below provides minimum system requirements.

Free hard disk space
BERNINA V9 occupies up to 5GB of hard disk space, depending on options installed. CorelDRAW® SE also takes up an additional 3GB.

Screen resolution
Some controls may be hidden on the user interface if you run your monitor at low resolutions. The physical size of your monitor will have a bearing on the optimum screen resolution. Larger fonts will exacerbate the problem. If you experience visibility issues, try adjusting both screen resolution and font size. For example, a resolution of 1366 X 768 with a font size of 100% or 125% should be acceptable.

Information for Mac
BERNINA V9 can be installed on Intel-based Mac computers using Boot Camp to run Windows 10 on a dedicated partition. The use of virtual machine software to run Windows within the Mac OS is not supported. A partition of at least 85GB is required, 100 GB is recommended.

Legal Information

Note

The screen illustrations in this publication are intended to be representations, not exact duplicates of the screen layouts generated by the software.

Product License Agreement

BERNINA International AG grants you, the purchaser, with a single user, non-exclusive license to use the Products according to the terms defined in the End User License Agreement (EULA), that can be downloaded from ***https://www.bernina.com/v9#!support***

Limited Warranty

BERNINA International AG warrants for a period of 90 days, commencing from the date of delivery of the software to you, that the products are free from defects in materials and workmanship. Your exclusive remedy for breach of warranty is to return the products together with proof of purchase to BERNINA or its authorized dealers within the warranty period, and they will be replaced free of charge. You are responsible for the cost of shipping and insurance, and bear the risk of loss, damage and misplacement of 'the products'. The purchaser relies on their own skill and judgement in selecting the software for their own use and assumes the entire risk as to the results and performance of the software. Subject to warranties and conditions imposed by law, BERNINA International AG expressly disclaims all other warranties and conditions, whether express or implied, including without limitation, warranties and conditions of merchantability, fitness for a particular purpose, title and non infringement. BERNINA International AG specifically does not warrant that the software will meet the purchaser's requirements or run without interruption or error, or appear precisely as described in the accompanying documentation.

Limitations of Liability
To the maximum extent permitted by applicable law, in no event will BERNINA International AG or its developers, officers, employees or affiliates be liable to you for any consequential, incidental, or indirect damages (including damages for loss of business profits, business interruption, loss of business information and the like), whether foreseeable, or unforeseeable, arising out of the use of or inability to use the software or accompanying security device and cable, and accompanying documentation, regardless of the basis of the claim and even if BERNINA or an authorized BERNINA representative has been advised of the possibility of such damages. Some states or jurisdictions do not allow the exclusion of incidental, consequential or special damages, so the above limitation or exclusion may not apply to you.

Commercial use of Embroidery Designs
With the purchase of BERNINA® Embroidery Software, BERNINA International AG grants the user the commercial use of all included embroidery designs (i.e. for sales, advertising, etc.), provided that the embroidery design is embroidered on a fabric (or similar). This includes all integrated embroidery fonts, but excludes all TrueType fonts and trademarks in general, in particular those of BERNINA International AG.

The commercial use of embroidery designs from BERNINA® Embroidery Software as files in digital form (i.e. individual sale of included embroidery designs) is not permitted unless the design file as such has been significantly modified. Significant means an obvious modification compared to the original embroidery design. For users using CorelDRAW®, also refer to the End User License agreement found under 'About CORELDraw'.

Termination

Your License to use the BERNINA® Embroidery Software is effective as long as you comply with the terms and conditions of the License Agreement. This License will terminate automatically without notice from BERNINA International AG if you fail to comply with any of the terms of the License Agreement.

You may terminate this License at any time by returning the complete BERNINA® product , all copies thereof, and all accompanying documentation to your reseller. You will not be entitled to a refund of any kind.
