creative™ 4.5 - Spacious. Bright. Precise.

MACHINE FEATURES INCLUDING:

- New creative™ colour touch screen with modern and clear graphical user interface for greater visibility from different angles.
- Large sewing space which is perfect for quilters, home décor sewers and fashion enthusiasts.
- LED lights to illuminate the entire work area with no shadows.
- Automatic presser foot lift to raise the presser foot instantly when the needle is set to stop down and/or at the end of a seam after a thread snip.
- Top and bottom thread sensors to alert when bobbin is low or top thread breaks.
- Thread snip to automatically cut top and bottom thread and pull to back side of fabric.
- Electronic knee lift allowing you to keep your hands on the project and still lift the presser foot.
- Jam proof rotary hook.
- Quick Help System and Alphabetical Index Help icons for instant information and built-in advice.
- Adjustable speed ranges in sewing and embroidery modes.
- Updateable via the internet.
- Start/Stop button to allow you to sew without the foot control.
- Needle up/down setting in fabric for ease when pivoting, appliqué and more.
- 3 Free motion sewing modes to select the best mode for specific techniques.
- creative signature™ sewing programs including:
 - Tapering on all 9mm decorative stitches.
 - Patchwork program to remember your seam length for both utility and decorative stitches.
 - Single Stitch program to set exact number of stitches or sequence repeats.
 - Mirror Imaging of stitches.
 - Stitch Positioning for easy alignment of decorative stitches.
 - Stitch Density altering without affecting stitch length.
